

Remembering Fort Myers: The City of Palms (Paperback)

By Prudy Taylor Board

History Press (SC), United States, 2006. Paperback. Condition: New. Language: English . Brand New Book. Known for its palm-lined boulevards and famous residents, Fort Myers is arguably the quintessential Florida destination. And although many people know the city was a winter getaway for the likes of Thomas Edison and Henry Ford, few know the story of Wild Bill Belvin who lived a year in the wilds of North Fort Myers, but was immediately arrested upon his return to civilization. Nor do they know that when Lee Memorial Hospital first opened in 1916, its surgical patients were as concerned about the agility of their stretcher-bearers as they were about their surgeons skills. In Remembering Fort Myers: The City of Palms, author Prudy Taylor Board has compiled a collection of historical articles about the intriguing, but little known, people and events in the city s history. Board traces the development of the city s prestigious neighborhoods and parks, while introducing readers to some of the most captivating and eccentric characters.

Reviews

Merely no words to spell out. It is amongst the most awesome publication i have read. Your life span will likely be transform as soon as you full reading this book.

-- **Marvin Okuneva**

Completely among the best publication I have got at any time go through. I have got go through and so i am confident that i will likely to read again once more down the road. It is extremely difficult to leave it before concluding, once you begin to read the book.
