Wavecloud Corporation, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Standing Tall Through It All, Volume III, resumes the work of creativity and actual participation in action and reaction toward life. My greatest desire in writing this book of poems is to enlighten, entertain and be a motivational tool for young and old people. Each group of poems is focusing on experiences, ideas and visions that is designed to communicate facets of my life s journey, as well as to give some insight and infuse the reader/readers, who may have had similar experience in life. Most of the poems that you read are true experiences. I learned from many life experiences through the gateway of trials and tribulations. Like some trees, I with stood the challenges. Standing Tall Through It All expresses poverty, love, disappointment, joy, peace and happiness through real life experiences. Some of the poems verbalize boundaries I was not afraid to enter or cross. It is the new discoveries of life that causes new creativities to embrace by Standing Tall Through It All. I have had many break-through in life with the help and support of friends, strangers and family, but most of all my Supreme Being God.
