THE DRAMA: ITS HISTORY, LITERATURE AND INFLUENCE ON CIVILIZATION (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from The Drama: Its History, Literature and Influence on Civilization With Sir Walter Scott and Lord Byron the Romantic movement took possession of literature. Byron's dramatic attempts were failures from want of action. They were too heavy as poems, too verbose as plays. In fact, Werner, the only one which he stated was not prepared for the stage, was the only one which had successful reproduction. Other authors of high repute wrote plays which were more esteemed in the study than on the stage. Two ladies were successful in tragedy, Joanna Baillie, with her plays illustrating the various passions, and Mary Russell Mitford, with her historical dramas, of which *Rz enzz* is the chief. Yet more attractive to the public were the plays of James Sheridan Knowles, who knew how to combine dramatic interest with poetic value. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
