

January 1973: Watergate, Roe V. Wade, Vietnam, and the Month That Changed America Forever

Filesize: 7.31 MB

Reviews

This pdf will not be simple to start on reading through but extremely enjoyable to see. I have read and i also am sure that i will planning to read through again once more in the foreseeable future. You wont really feel monotony at whenever you want of the time (that's what catalogues are for relating to if you request me).

JANUARY 1973: WATERGATE, ROE V. WADE, VIETNAM, AND THE MONTH THAT CHANGED AMERICA FOREVER

[DOWNLOAD PDF](#)

Chicago Review Press, Chicago, IL, 2015. Hardcover. Condition: New. Dust Jacket Condition: new. In January 1973, politics in America changed forever as, in the span of 31 days, the Watergate burglars went on trial, the Nixon administration negotiated an end to the Vietnam War, the Supreme Court issued its decision in "Roe v. Wade," Lyndon Johnson died in Texas, and Richard Nixon was sworn in for his second term. The events had unlikely links and each worked along with the others to create a time of immense transformation. Using newly released Nixon tapes, author and historian James Robenalt provides readers an insider's look at what happened in the White House, events both fascinating and terrifying, during this monumental month. He also delves into the judge's chambers and courtroom drama during the Watergate break-in trial, and the inner sanctum of the United States Supreme Court as it hashed out its decision in "Roe v. Wade." A foreword by John W. Dean sets the stage for this unique history, which details events that, while taking place more than 40 years ago, are key to understanding today's current political paralysis.
