Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from The Way to Win: Successful Methods in the Local Church The author has had valuable assistance from several men. Bishop Theodore S. Henderson and L. Robeson Akers offered much of the material for the chapter on Evangelism. Frank W. Collier assisted with the chapter on Training. Edward M. McConoughey prepared the first draft of the chapter on Community Service. R. C. Keagy helped with the chapter on Missions. Christian F. Reisner contributed the material for Publicity. The manuscript was read and criticised by district superintendents, pastors, laymen, editors, secretaries, and professors. Among the criticisms those of Ralph Welles Keeler, Assistant Editor Sunday School Publications, George G. Saunders, Professor in Colgate University, and Colonel E. W. Halford, were especially thorough and helpful. Before the first draft of the manuscript was written the author conducted a class on Church Efficiency at Silver Bay, New York. The discussion of the class centered around plans that are here presented. The enrollment included sixty-nine people, representing six denominations - pastors, laymen, and official church workers. The discussions of the class were of inestimable help. To Clyde F. Armitage is due special gratitude. He not only contributed the chapter on How to Make a Survey, but in conference with the author has reshaped and rewritten in varying degrees the entire manuscript. The volume could not have been published without his assistance. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
