FAITH AND OPTIMISM: POSITIVE EXPECTATION IN THE CHRISTIAN LIFE (PAPERBACK)**DOWNLOAD**

Silvercrest Books, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.(Originally The Optimism Factor: Outrageous Faith Against the Odds) There s a strange connection between the exercise of our faith (wobbly though it may be) and the growth of optimistic hope in our hearts. Outrageous faith, Blaine Smith calls it. And he explains why, as he examines the role of positive expectation in the Christian life. Blaine believes that faith is the most underappreciated benefit in the Christian life today. Christians who do emphasize faith often take it to an unhealthy extreme--just believe anything can happen and God will accomplish it for you. Yet most Christians don t emphasize faith enough, even though it is upheld constantly in Scripture as the means by which we receive the grace of God and every benefit he provides. In this book Blaine looks closely at what the biblical attitude of faith involves. He concludes that it means an overwhelmingly optimistic view of God and of his willingness to provide the best for each of us. He considers how we can exercise faith in the most authentic sense, by taking challenging steps to realize our personal potential. And he offers practical wisdom on how to: rekindle our optimism when it s lost rebound from disappointment distinguish healthy faith from unreasonable expectations find the heart to make new beginnings overcome our fears of change handle our shifting view of God let go of problems that aren t ours Blaine Smith s The Optimism Factor, first published by InterVarsity Press, is republished by SilverCrest Books! Praise for The Optimism Factor A profound, practical and positive exposition of the importance of living our faith, and in the process, seeing our lives both realistically and with the optimism that comes...
