Financial Analysis for Effective Management Decisions (Paperback)

By B D Chatterjee

Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. We know that financial statements with all its details and complex reporting requirements sometimes become very difficult to read and comprehend. They say Devil is in the details. Hence it is imperative to decipher the details of numbers: a)to understand what these numbers want to convey, b)arrive at conclusions as to the performance of the entity under review and c)draw broad perceptions as to the direction the organisation is moving, which means whether it is growth centric, whether it is drifting or whether there are chances that it can fail owing to certain inherent risks To make this study meaningful, the reader needs to have a fair understanding of some simple tools like, comparative analysis, ratio analysis and tools related to strategic cost management. To assist the readers to get a hang of these concepts, an attempt has been made to explain these financial analysis tools in very elementary terms with as many practical illustrations as possible. Chapter one to six have been devoted on these topics. In Chapter 7, the results of these financial tools have been assimilated...

Reviews

An incredibly amazing ebook with perfect and lucid answers. It is written in basic terms and never difficult to understand. It has been written in an exceptionally basic way and it is only right after I finished reading this ebook in which it in fact modified me, affected the way I really believe.

-- Beverly Hoppe

Extremely helpful for all classes of individuals. Better than never, though I am quite late in starting to read this one. I realized this publication from my mom and dad suggested this ebook to discover.
