Vision Life Ministries, United States, 2002. Paperback. Condition: New. Language: English . Brand New Book. America would learn of Islam s tenets on September 11, 2001 when some of its followers would take off their mask of peace and reveal their true face. Since that day many have become lost in the propaganda war. They have become confused about Islam. They have searched for answers to many questions. What are the origins of Islam? Who was Muhammad? Are Allah and God the same? Is Islam a peaceful religion? What is Paradise and who can go there? Is there equality between Mulim men and women? What common ground is there between Christians and Muslims? Islam Unmasked removes the mask of deception and reveals the truth about this ancient religion. Throughout the pages of this illuminating book, you ll learn about the pagan origins of Islam. You ll examine the history of its founder. You ll discover the lies behind its doctrines. You ll see the futility of its practices. You ll find the common ground to talk with Muslims. And you ll realize the power that comes from sharing the love of God with Islam s captives. Islam Unmasked--unmask the lie, discover the truth.
