Brand New Book ***** Print on Demand *****.There are plenty of books in this world which will tell you what is wrong with this world. There are fewer books which will tell you what needs to be done to save it and our civilisation from self-destruction. And there are few indeed which tell you exactly how to go about achieving a sweeping overhaul of an entire society. This little Manifesto is the result of four years of discussion by a group of students reading for their undergraduate degrees at the ancient and elite University of St. Andrews. Who should be allowed civil liberties and who ought to be repressed? How do we go about restoring our relationship with God to the centre of our economy? What should be done about the old? Indeed, what should be done about the children? This Manifesto presents an integrated, holistic, and technology centred set of proposals based on non-orthodox financial systems. It is provided, as close to at cost as possible, to anyone interested. If you like thinking outside the box, this book is for you. Niall Douglas challenges us to imagine a fundamentally different...
