**IMPROVING MATERNITY SERVICES: SMALL IS BEAUTIFUL - LESSONS FROM A BIRTH CENTRE (1ST NEW EDITION)****DOWNLOAD**

Taylor & Francis Ltd. Paperback. Book Condition: new. BRAND NEW, Improving Maternity Services: Small is Beautiful - Lessons from a Birth Centre (1st New edition), Denis Walsh, Sheila Kitzinger, This title includes Foreword by Sheila Kitzinger, Writer, Researcher, Activist and Honorary Professor, Wolfson School of Health Sciences, Thames Valley University. Birth centres are suitable for every woman whose birth is straightforward, which accounts for around 75 per cent of all women. This inspirational guide shows how small scale maternity provision has a profound clinical and organisational advantage over large scale hospital provision, including saving of time and money by reducing intervention rates. It presents the thoughts and feelings of midwives and patients and how both enjoy the humane and compassionate care of the birth centre ethos. The book is invaluable for midwives, obstetricians, doulas, maternity care assistants and maternity service planners and managers. It also provides enlightening information for general practitioners and other health and social care professionals, maternity service users groups and academics with an interest in midwifery and health services. "What birth centres do best is simply providing humane childbirth care. There are no high tech gadgetry, doctors or dramatic stories of childbirth rescues that make it into the media. Yet 'miracles' happen inside their walls every day as women have their babies after normal labours and births. Until now, there have been very few books detailing what happens in birth centres so that women and childbirth professionals can be introduced to an alternative beyond the large hospital model. This book provides a window in on the birth centre model and there are some exciting things to find there about childbirth care in the 21st century." - Denis Walsh, in the Preface. "Denis Walsh has one of the most incisive, analytical and brilliant minds in nursing and midwifery..."
