Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from A Hundreth Good Pointes of Husbandrie Dr. Maven has announced his intention of giving to the public a new edition of the present once popular work of Tus oer, collated with the various editions which passed the press in the Sixteenth Century, and afterwards. For these editions were not confined to the time of the author s life, who died very aged, as early as 1580. Mr. Walter Scott has given, in the Third Volume of the Somers Tracts, a copy of the edition of 1599 by Peter Short. The present reprint of the first edition of 1557, which exhibits the prima stamina of this work, is o? ered to the curious reader for the purpose of affording a com parative view of the progress of the author s mind, and of a production which was once probably in the hands, or com mitted to the memories of almost all the country-gentlemen, and others connected wsth husbandry, in the kingdom. The original consists of seventeen leaves, which are now given in ten. So very greatly was it enlarged in subsequent impressions. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
