Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. There are ten epistles that have meant a lot to me; some over many years and some in more recent time. I want to write about them. Unlocking The Secrets Of James is the ninth book I have done in this series. Some people shy away from the book of James thinking it teaches a works salvation; this just is not so. James simply, and very directly, makes it clear that we need to have a genuine faith, one that produces good works. I like James because of the number of topics he covers. He covered quite a bit of ground in his five chapters. Whether it is trials and troubles, or love for the brethren, he addresses it here. He pulls no punches along the way; he is very direct. I do hope you will join me in unlocking the secrets of James.
