Excerpt: .portazgo (toll) duties on national goods and the consumption duties on foreign goods shall cease in the Federal District. On the same date, the principal administration of rents of the district, with all its departments, shall be suppressed. Art. 2. The employees who, in virtue of the present law, may be left without employment, and whose services may not have been utilized in some other service of the federation, States, or municipalities, may be assisted during the first three months with half the salary which they received at the time when this law comes into effect, such assistance in all cases ceasing on the day when they are appointed to some other office. The granting of this privilege is entirely by permission, and can only be obtained by those employees who have been in service for one year at least, without unfavorable notes against...
