

Regarding the Bees (Paperback)

By Kate Klise

HOUGHTON MIFFLIN, United States, 2010. Paperback. Condition: New. Reprint. Language: English . Brand New Book. The seventh graders at Geysers Creek Middle School are beyond stressed. They're preparing for a spelling bee and a horrible standardized test called the BEE (Basic Education Evaluation). Plus, this year the hunt for their honeys has become all-important. It's a good thing they have Honey, a bee that spells (yes, really!), as their class pet--and one fabulous teacher named Florence Waters. Sweet! The fifth book in the Regarding the . . . series takes the sting out of spelling bees, standardized tests, and even dating. Using letters, newspapers, and whatever else strikes their fancy, the Klise sisters have again created a book that spells J-U-S-T P-L-A-I-N F-U-N.

This pdf will not be simple to start on reading through but extremely enjoyable to see. I have read and I also am sure that I will plan to read through again once more in the foreseeable future. You won't really feel monotony at whenever you want of the time (that's what catalogues are for relating to if you request me).
