PERSEPHONE AND HADES: A TRIBUTE (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. We all know the myth of how Hades saw Persephone and just had to have her as his wife. In the myth, there is an abduction and other negative things that paint Hades in a horrible way. But, what if the truth of that myth was something beautiful and filled with love and longing and destiny? What if Demeter, Persephone s mother who was heartbroken at her daughter leaving her and enraged by the fact that she would be in the Underworld, spread lies about their story? This tale sheds a new light on what happened between Persephone and Hades, and it shows that there can be light in the darkest of places, and darkness in the sunlight.
