

Return to LAN Darr (Paperback)

Filesize: 4.95 MB

Reviews

Completely essential go through pdf. This is for all those who statte that there was not a really worth reading through. You will not truly feel monotony at at any time of your time (that's what catalogues are for concerning if you question me).
(Mr. Santa Shanahan)

RETURN TO LAN DARR (PAPERBACK)

Synesthesia Books, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Surviving Lan Darr not only changed Allan s life, it rocked him to his core. On Earth, he s simply a boy in a wheelchair who got lost in the woods, but across the Hubbu connected planetary system, Allan is a hero. He must find a way back there, alone if need be. Returning to Lan Darr might just kill him. Though he s learned the hard way that Allan Westerfield does not die easily. Back on Earth, Allan s uncle and his best friend race after Allan without an inkling of how deadly Hubbu travel can be. Chaos ensues, spawning disorder, confusion and panic as the travelers end up on different worlds at different times and face extreme ecosystems, mysterious enemies and push the clock of death to the absolute breaking point. The second book of the Heroes of Distant Planet Series cranks up the excitement, the mystery and even the humor. A perfect and inspiring story for 12 and up. Reviews: lots of surprises in this book, ones that I didn t see coming, and others that helped bring the story together. Beyond the shock, the adventure, and treks across the galaxy, there s a budding romance that I found to be one of the best I ve ever read. Valicity Garris s review excellent and exciting story. Unpredictable! A page-turner! I d recommended the book not only for YA fans, but also everyone those who loves to read some extremely different kind of story Dilsh Wijesinghe (She s a professional Reader and top reviewer from NetGalley) In an intelligent and intriguing new installment in the Heroes of Distant Planets series, Return to Lan Darr by Anderson Atlas is a book that...
