Britin Partners LLC, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Thirty-four-year-old Michael Turner calls his life a swing and a miss. His wife's uncle got him his job. His wife's grandmother got him his house. He travels too much, and his kids are growing up without him. He dreams of creating a new world for his family, but has no idea how to do it. When his wife, Julie, discovers a family secret with the power to alter their lives forever, Michael is forced to confront the one truth he's been avoiding all his life: Sometimes the only way to redirect your future is to reconnect with your past. Whether you're a salesperson, an athlete, a homemaker or an entrepreneur, this modern-day parable will show you that living your dreams isn't some secret, mystical process, and will inspire you to create an astounding new world for yourself and your family. A unique blend of fiction, allegory and inspiration, The Tinderbox Tapes is the debut offering from Speaker Brian Hicks.
