AUTHORHOUSE, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.We, the people of the United States, have cowed down to the wrong ideas set forth by the wrong people for the last decade. Foolishness does not bring peace, and low morals do not bring happiness. Freedom of expression without restraint brings chaos, not personal abundance. America is an experiment in human freedom, and as in any experiment, there are mistakes. We have made mistakes, and it is time to correct our errors. Groups and individuals have their own opinions, ceremonies, prejudices, and passions. But all men and groups who serve justice must at times unite to face a common enemy. Without hesitation, men from all religions, all walks of life, and the rich and poor have joined under the American flag against those who threatened justice. A new enemy now exists: That enemy is moral decay. Moral decay is as sharp as any sword. Morals, values, and attitudes must be learned. Freedom and justice can and must be won. This cannot be done by laws or by political promises. This must be done by the people. Many have stated that science has advanced too far, and we need a program to correct the social disunity. This program now exists, and it is a reality. Freedom for America is the organization with such a program. America must not hide from truth, from wisdom, and from righteousness for these are her weapons. If her people are educated in moral law, they will be patriotic. The philosophically wise will be American wise.
