

Dear Divorce, Thank You (Even Though I Hate You) Sincerely, My Parents Grown Kid: A Journey of Hate, Healing and Understanding

By Lauren Alicia

Lauren Alicia, United States, 2014. Paperback. Book Condition: New. 224 x 145 mm. Language: English . Brand New Book ***** Print on Demand *****.You think parents have a lot to say about their divorce. Lauren Alicia journeys through being a child of divorce now grown in a series of segments and personal letters designed to confront, cope, learn, decide and apply, providing space for readers to write their own personal letter entries. DEAR DIVORCE, THANK YOU (EVEN THOUGH I HATE YOU) SINCERELY, MY PARENTS GROWN KID: A JOURNEY OF HATE, HEALING AND UNDERSTANDING is an intimate conversation about what it feels and looks like to no longer be permitted to live the normal you always knew, and positively moving forward from our experiences. Alicia confesses moments when her present paid for past hurts of her parents divorce, making this book for our sanity and the purpose of moving forward to a better place. Through using a conversational writing style, this is a book readers experience, not necessarily a how-to guide, and insight for parents and outsiders (if that makes sense). Moving past all of divorce s promising statistics for its reality, the family, the people, the normal everyone knew, and...

Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- Ally Reichel

This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You wont feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).
