

Internet Communication and Qualitative Research: A Handbook for Researching Online (Hardback)

By Chris Mann, Fiona Stewart

SAGE Publications Inc, United States, 2000. Hardback. Condition: New. Language: English . Brand New Book. `Internet Communication and Qualitative Research is a trailblazing introduction to data sources that will come to the fore in the new millennium. Its cogent discussion of the techniques, ethics and methods of analysis of Internet data should be read by every qualitative researcher - David Silverman, Goldsmiths College `The internet is exploding with possibilities for conducting social research. Mann and Stewart offer the first in-depth consideration of the prospects and potentials for doing qualitative research on-line. This wide ranging, clearly-written book is essential reading for researchers working at the cutting edge of qualitative methodology - James A. Holstein, Marquette University `This is e-scholarship. The book is a transformative project which brings the best skills of the old print scholarship to the cyberworld. The authors are no mere theoreticians - but hands-on net-users, who have made the imaginative leap to the world, and who have mapped the way for net research and researchers. The authors are pioneers in the realm of digit-crit - opening the way with their critical evaluation of the digital media and net research. They profile the skills required by the online researcher...
