# Core Concepts for USMLE Step 2 CS: A Focused and Goal-Oriented Approach

Filesize: 2.33 MB

Reviews

A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be he best ebook for possibly.

Createspace, United States, 2010. Paperback. Book Condition: New. 252 x 178 mm. Language: English . Brand New Book ***** Print on Demand *****.I wrote this book, because I could not find a book that carefully integrates core clinical concepts with the content of CS Exam. Sure, there are many books on the market, but these books are crammed with every possible detail and present a strategically unbalanced approach of preparing for the USMLE Step 2 CS. If you ask me what kind of book I personally like, my favorite book is simplified, concept-oriented, and focused on passing the exam. I cannot emphasize enough that CS exam has three components that you need to pass separately. Try to balance your preparation so that you are not tipped over to one aspect while leaving loopholes on others. You are welcome to use the mnemonics if you are comfortable with, but exam circumstances can subtly change making your mnemonics planned time wastage. You should empower yourself with a wealth of knowledge and skills in such a way that you do not flap over with common clinical encounters tested in CS Exam. This book is written in the form of lectures and practice sessions. The intent of the lecture format is to speak to you directly, as if we were in the classroom together. What I have written in this book is a reflection of what I heard from you during the exam preparation and after the actual exam. I have spoken to quite a few candidates who have failed the exam, even though they believed everything went smoothly. Finally, what you do as a medical student transitioning to become a physician makes me proud. I have spoken to several of you in the classroom, wards, cafeteria, and pubs. The journey you have ventured...
