TWENTY YEARS IN THE NEAR EAST (CLASSIC REPRINT)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English Brand New Book ***** Print on Demand *****.Excerpt from Twenty Years in the Near East Perhaps the most interesting of all autobiographies is that of Jean Jacques Rousseau, and the charm of it lies in the inimitable naivete with which the author lays bare all his little vanities and conceits to the reader, compelling curiosity from the growing intimacy he establishes with himself. In the following pages I do not wish in any degree to follow his distinguished example, but this first chapter will be in a measure devoted to an attempt at introducing the writer to those who may have patience to read a few of his adventures, and thus enabling them, perhaps, the better to understand and participate therein. If the Ego is sometimes too obtrusive, I can only plead that no more convenient method suggested itself for stringing together the various incidents and observations presented, and remark that the critic can always substitute Tom, Dick, or Harry, without in any way detracting from any force or sense they may possess. With this apology, I throw myself on public mercy, and proceed to unfold my tale. After spending my younger days, in the fashion of English boys, more in sport than study, I entered for an examination, and somewhat to my astonishment, was informed of my appointment as Student Interpreter attached to the Embassy at Constantinople.
