HarperCollins Publishers, United Kingdom, 2000. Paperback. Condition: New. Language: English . Brand New Book. A comprehensive and authorised biographical companion to the works of Agatha Christie covering books, films, TV and plays - revised and updated edition. Agatha Christie was the author of over 100 plays, short story collections and novels which have been translated into 103 languages; she is outsold only by the Bible and Shakespeare. Many have tried to copy her but none has succeeded. Attempts to capture her personality on paper, to discover her motivations or the reasons for her popularity, have usually failed. Charles Osborne, a lifelong student of Agatha Christie, has approached this most private of persons above all through her books, and the result is a fascinating companion to her life and work. This `professional life of Agatha Christie provides authoritative information on each book s provenance, on the work itself and on its contemporary critical reception set against the background of the major events in the author s life. Illustrated with many rare photographs, this comprehensive guide to the world of Agatha Christie has been fully updated to include details of all the publications, films and TV adaptations in the 25 years since her death.
