

## Exploring Faith and Reason: The Reconciliation of Christianity and Biological Evolution

By Bruce Glass

DBG Publishing, United States, 2012. Paperback. Book Condition: New. 226 x 150 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Have you ever wondered if it is possible to be a conservative evangelical Christian and also believe in biological evolution-believe that the Earth is 4.5 billion years old and that human beings share a common ancestor with not only chimpanzees, but also with mice and even earthworms? In Exploring Faith and Reason, you will find that it is not only possible, it is an essential element of how many Christians come to more fully appreciate the complexity and the great glory of God's creation. Of course many people-Christians and non-Christians alike-think that Christianity and evolution are opposing concepts. They perceive several specific points of conflict between them. Bruce Glass addresses each of these concerns by citing Scripture and the world's most respected theologians and by the application of reason. Revealed is a deeper and richer understanding of Biblical Scripture and its history. But most importantly, readers will gain a greater appreciation of the power and the capabilities of a living God that transcends space and time, as this insight is united with the findings of...
