Makoto Amano wants to become an actor, but his stern father has decreed that the only way Makoto can pursue his dream is to spend the last two years of high school as a girl! He quickly makes friends with popular tomboy Ito Miura, another drama enthusiast at this new high school and the only student to find out his secret - but are they more than pals? Graduation is only months away, and keeping Makoto's gender a secret is more challenging than ever! Since Makoto's father is dead-set against his son's choice of profession, he has decided not to attend the graduation ceremony. But Ito is intent on strengthening the bond between Makoto and his father. She convinces Makoto to spend the New Year's holiday with his family in the hope that the pigheaded patriarch will change his mind. Makoto is quite confident in his acting skills, but will his persuasive abilities measure up?.
