### **Reviews**

*A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest eBook I have read during my very own daily life and could be the best eBook for possibly.*

My social circle had shrunk to the point of non-existence. I wasn t hanging out in bars anymore, the men in the grocery stores really were there to buy groceries, and I don t go to church. My dating options were limited, so what s a girl to do What else? I pulled on my big girl panties (ok, I was already wearing them) and dove into the world of internet dating. The winks and roses started pouring in and pretty soon I was back on the road to the love shack. Well, not exactly, but I did meet some unique individuals. is a collection of mostly true tales describing some of my more interesting dates. The names and some of the details have been changed to protect the not so innocent.
