Brand New Book ***** Print on Demand *****.What if you were handed a phone number and it was God's? How would you respond? In our stories, the reader will see how others responded to this news. When the towers went down, the last I heard was my son was going to be in one of the towers for breakfast with a friend. All day long his mother and I waited for a phone call from him, or anyone for that matter. The phone lines were down across the city, and we waited until nearly midnight before a call came in. It was our son and he was okay. They changed their breakfast plans at the last minute. I would have given anything for a phone call earlier in the day, alerting us that he had come to no harm. In our stories we have God's actual number and all we have to do is dial it. Are you prepared for that voice on the other end?.
