Adams Street Publishing Co, Inc. Paperback. Condition: New. 188 pages. Dimensions: 7.8in. x 4.8in. x 0.5in. From Kirkus Discoveries: A working mother offers insight on parenting and living a rich life. For much of her life as a mother, Barish has worked from home as a writer, crafting columns about parenting based on her own experience as well as conversations with other mothers. This slim volume gathers a selection of those pieces written over more than ten years of being a parent to two daughters. In each piece, the author addresses an aspect of motherhood and family life, ranging from whether she should rein in a daughter who lives for the competitive edge to tackling her older daughters questions about sex. She also covers the needs of others: reconnecting with herself through yoga, claiming time and space for her work as a writer and taking the occasional getaway vacation without the kids. Through these short reflections, the reader follows the authors daughters as they grow up and as Barish herself grows as a woman and mother. She describes how just as a parent is feeling comfortable and confident about how to relate to the current stage in a childs life, she is already growing into a new phase a cycle that continues even after a daughter leaves for college. Throughout the book, Barish discusses her evolving relationships with her daughters, as what they need from their mother changes over the years. In a later essay, the author revisits the mission statement for motherhood she wrote when the girls were young and reflects on how it has stood the test of time. As a collection of newspaper columns, this is more a series of brief conversations with a mother whos been there and who has sought out the experiences of other mothers,...
