Createspace, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Journey with me to the cradle of Africa as I battle my own personal spiritual journey marked by a whirlwind of a torrid of spiritual events. The paradox for me is that I am both black and white.This culture mix of being partly raised in a native humble hut in southern Africa has led to my experience with both witchcraft and Christianity. While the controversial title may be misleading at first glance I by no means embody witchcraft but have tirelessly fought spirits of darkness using Gods word. In the midst of all my trials I always knew that the battle was Gods and that he was with me all the way. I now not only claim victory for myself but for anyone else out there who is faced with seemingly difficult spiritual circumstances that are perpetuated by Satan. In all honesty this journey was by no means easy but as Christians we are not weak but strong. Remember we are more than conquerors in Jesus Christ. Come and cry, fear, and laugh with me but mostly believe that you will overcome your circumstances, remember nothing is impossible with God. Light will always prevail over darkness, good over evil.
