

Knowing Your Why: The Key to Unlocking Your Full Potential (Paperback)

By Dr Jeffery a Williams

Wavecloud Corporation, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Every person needs to learn how to harness the power that is contained in Knowing their WHY. I wrote this book to motivate, inspire, and challenge people to achieve the things in life that they say matters to them. We all do or don t do things based on our feelings in the moment. Your WHY or WHY Not is the single most important reason for doing or not a certain thing. My hope is that this book will push you to make the necessary changes required to accomplish your dreams. It is designed to provoke you to want more, to do more, to achieve more, to accomplish more, and to overcome the things that have stopped you in the past. It will make you accountable, because once you read it, you will never, ever be able to say you didn t know the truth. You won t be able to forget your WHY. You will release your inner drive and be forever motivated. The truth is that motivation is an indispensable element for your success in life.
