A WOMAN OF GENIUS (MASTERPIECE COLLECTION): GREAT CLASSIC

Createspace, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.It is strange that I can never think of writing any account of my life without thinking of Pauline Mills and wondering what she will say of it. Pauline is rather given to reading the autobiographies of distinguished people-unless she has left off since I disappointed her-and finding in them new persuasions of the fundamental lightness of her scheme of things. I recall very well, how, when I was having the bad time of my life there in Chicago, she would abound in consoling instances from one then appearing in the monthly magazines; skidding over the obvious derivation of the biographer's son from the Lord Knows Who, except that it wasn't from the man to whom she was legally married, to fix on the foolish detail of the child's tempers and woolly lambs as the advertisement of that true womanliness which Pauline loves to pluck from every feminine bush. There was also a great deal in that story about a certain other celebrity, for her relations to whom the writer was blackballed in a club of which I afterward became a member, and I think it was the things Pauline said about one of the rewards of genius being the privilege of association with such transcendent personalities on a footing which permitted one to call them by their first names in one's reminiscences, that gave me the notion of writing this book. It has struck me as humorous to a degree, that, in this sort of writing, the really important things are usually left out. I thought then of writing the life of an accomplished woman, not so much of the accomplishment as of...
