

Security in a Complex Era: Emerging Challenges Facing India

By Neil Padukone

KW Publishers, New Delhi, India, 2010. Hardcover. Book Condition: New. Dust Jacket Condition: New. First Edition. Security in a Complex Era: Emerging Challenges Facing India is a horizon scan of conceptual shifts in the nature of conflict. These shifts include the threat posed by networked forms of organization; the augmented role of information and perceptions in both shaping and resolving conflicts; deficits in governance as security threats; the security implications of emerging technologies, climate change and economics; emerging challenges in nuclear, space, and military strategies; and global shifts in geopolitical power and their effects on Indian strategic thinking. Security in a Complex Era concludes by proposing an alternative paradigm for conceptualizing and acting on national security: an evolutionary systems view of security that employs networked management and anticipatory governance. Printed Pages: 176.
