PARALLEL DIMENSIONS

Bookstand Publishing. Paperback. Condition: New. 50 pages. Dimensions: 8.5in. x 5.5in. x 0.1in.YOUR SPIRIT NO ONE CAN DESTROY! Unfortunately, in many societies, rules of thought or behavior do change part of some peoples spirits. And this can be detrimental to an individuals happiness and social life, especially if youre mentally ill and meet your soul mate, who is part of society, and the way your spirit was changed, even slightly, causes the loss of a potential wife! Lets say a Nobel Prize winner and professor of physics becomes too groggy from his psychiatric medications to teach effectively! I often wonder if all so-called normal minds and souls usually believe they contain some elements of mental illness, but are cunning in hiding it through the vast tricky complex and profound maze of societies like a fly flying and sliding through the spider web of societys normalities. Suppose everybody in the world had some mental illness, but those who got labeled as mentally ill were just unlucky, getting caught like a fly in a spider web. A lot of Americans mask their mental illness - probably anxiety mostly, through drinking - but a few of them are really mentally ill. They are just so good at deceiving themselves and their coworkers, friends, and spouses! But -- mental illness or no -- your spirit no one can destroy! This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
