Filesize: 8.06 MB

Reviews

The ebook is straightforward in go through preferable to recognize. It typically does not charge too much. Its been designed in an exceptionally straightforward way and it is just following i finished reading this book where basically altered me, affect the way i really believe.

(Dr. Reta Murphy)

THE CONTEMPLATOR: PRACTICAL PHILOSOPHY TO KEEP YOUR MIND CLEAR, BODY LIGHT, AND SPIRIT FREE

Yampress Books, United States, 2014. Paperback. Book Condition: New. 198 x 135 mm. Language: English . Brand New Book ***** Print on Demand *****.A book of beautiful contemplations to refresh your mind, body, and spirit by making philosophy accessible and useful. Written by a physician who has lived and suffered well. Heart-touching and thought-provoking! Contemplation is a lost art, and chances are, you've completely forgotten how to be alone with your thoughts. Philosopher-physician Vijay Mattewada, MD, provides an accessible and relevant gateway to inner peace and clarity with his new book of aphorisms, *The Contemplator: Practical Philosophy to Keep Your Mind Clear, Body Light, and Spirit Free*. He provides a soothing tool for slowing down and carving a few moments of quiet and calm out of your day. He helps you understand the importance and life-changing benefits of a moment's pause in reflection-whether it's of nature, your soul, God, a personal burden, or a decision big or small. Before you know it, the inclination to step out of the daily grind, and away from the information highway, to stop and think, will become second nature. Ultimately, the goal of deliberation is a better understanding of yourself, your life, and your purpose for living. Dr. Mattewada's yogi-like approach to life will leave you convicted, encouraged, enlightened, and most importantly-contemplative. Author bio: A lifelong contemplator, Vijay Mattewada, MD, realized as a child that his thinking was different from those around him. His priorities did not fall in line with the world's desires for material possessions and power. Life is more than making a name and making money, which lead to much of the world's suffering and injustices. His observations, and coming to terms with his own life's mistakes, made him write down and compile his...
