Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.A pretty tale brightly written and containing some good pictures of school girl character. Winnie Blake is the wilful young heroine; we scarcely know whether to give the palm to her or to her brother Dick for mischief and loveableness. Both are eminently natural personages. The brother and sister come under the benign influence of Aunt Judith, who is an author of girls books and a happy Christian woman, and learn some valuable lessons which help them in later years. The loving life referred to in the title belongs to this Aunt Judith, and its influence survives long after her life is ended.
