

La Gravure En France (Paperback)

Filesize: 2.69 MB

Reviews

*The book is fantastic and great. It is definitely basic but shocks in the 50 percent in the pdf. Its been printed in an remarkably basic way and it is just soon after i finished reading this publication in which really changed me, change the way i believe.
(Dr. Lukas Hills DDS)*

LA GRAVURE EN FRANCE (PAPERBACK)

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: French . Brand New Book ***** Print on Demand *****. Les tendances generales de la nouvelle ecole de peinture ne sauraient, il faut bien le dire, nous ramener au culte de l art severe et en particulier a l etude des oeuvres du burin. Les conditions de la peinture telles qu on semble les comprendre maintenant ne sont-elles pas ouvertement en contradiction avec les conditions essentielles de la gravure ? La gravure, sans proceder exclusivement de la ligne comme la sculpture, a cependant pour element principal l imitation precise de la forme. Or un dessin inacheve et flottant est devenu a nos yeux une des expressions du talent pittoresque, ou tout au moins la plus excusable des imperfections. Nous faisons bon marche de l incorrection des contours et du modele pour priser avant tout dans un tableau l eclat des tons et les tours d adresse de la brosse: le moyen de concilier de pareilles inclinations avec le gout pour un art ou l escamotage de la forme est impossible, ou tout est forcement accuse et rigoureusement ecrit ? Aussi qu arrive-t-il ? C est que le plus souvent les graveurs se trouvent contraints de chercher leurs modeles ailleurs que parmi les tableaux contemporains. Sauf M. Ingres, M. Scheffer et surtout M. Delaroche, dont les oeuvres ont le privilege d occuper sans relache le burin, il n est aucun peintre de l ecole moderne qui voie ses compositions habituellement reproduites par la gravure.
