It is hard to say, whether the ignorance of these writers, or their malevolence, is superior; or, whether the absurdity of their principles, or the mischief of them, is the greatest: but one may venture to affirm, that our people, notwithstanding the present scarcity, are still better fed than taught. This undoubtedly makes it necessary, at this time, that the true causes of this evil should be explained to them; which, if it lessens not their wants, may in some measure abate their ill-founded indignation.
