

The Peach Blossom Fan New York Review Books Classics

By K'ung Shang-Jen

NYRB Classics. Paperback. Condition: New. 370 pages. Written in 1699 and based on the recollections of survivors, The Peach Blossom Fan is a grand historical play about the last days of the Ming dynasty as it fell to the invading Manchus. With compelling vividness, Kung re-creates confrontations between loyalists and those who sell out to the newest master; nostalgic scenes of dalliance in riverside pavilions; desperate stands on battlements; and rituals of commemoration for the lost empire. Here are gallant generals and sycophantic ministers, court musicians and singing girls, and the love of a talented scholar and a beautiful courtesan. Immensely popular in its own time, The Peach Blossom Fan continues to be performed and has been adapted into films, operas, and modern theater pieces. This lively translation has been out of print for almost four decades. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
