Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Sadie Christ is my redeemer, the drive behind my moral compass, he leads me down every road-the righteous road. My heart full of love, my body pure and untouched, my words clean, my body modest. I do all things because I believe in my Christian faith and I believe that my life has been planned out for me. I will meet the perfect man of God, one who will give me a family and a wholesome life. There is no room for anything less, no room for speed bumps or road blocks. Except for the one man who threw a wrench in my spinning tire. The one man who made me question my faith and what true faith really is. Ben Cooper-my very own sinner. Ben Each blow to the face feels glorious, I crave the pain of each punch from my back alley opponent. The high I get from each fight that I antagonize is the same high I get when I strum my guitar and hit the high notes in the microphone. That rush is just like the pain I feel with the blows I take. Violence is my decadence and music is my redemption. I love beautiful women, the taste of whiskey on my tongue, and the smell of tobacco on my breath. I m a man with no morals and no plan to my madness. I m a man with only the promise of the day I m in. Until I find the most beautiful melody, dressed in full clothes and a cross around her neck. Sadie McCallister-my very own saint.
