

Experimental Lecture (Paperback)

By Colonel Spanker

Createspace, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Colonel Spanker has one simple proposition; that flagellating upper class ladies is immeasurably more pleasurable than committing like acts on those of lower standing and prostitutes. Thus, for the benefit of those members of the Society of Aristocratic Flagellants, our lascivious lecturer decides to put his thesis to the test, the subject of said experiment being one extremely unfortunate Lady Ponsonby. What follows is positively Sadian, as each stroke and spank and poke is told in sumptuously graphic and uncompromising detail. Described by the Victorian bibliographer Henry Spencer Asbhee as unblushingly indecent , Experimental Lecture is a must have addition for any collection of the flagellatory erotic. Those faint of heart and delicate of constitution, beware.
