TEXT BOOK OF CONIC SECTION

Discovery Publishing House Pvt. Ltd., 2005. Hardcover. Book Condition: New. There are number of Books on Conic Section JL in the market for the use of degree students in various universities in India. It is the experience of author that the average students need the treatment of theory in a way that should be easily comprehensible to him. Therefore an effort has been made in this Book to put the matter in a very lucid and simple way to that even a beginner has no difficulty in grasping the subject. Each chapter , for this book contains complete theory and a fairly Large number of solved examples sufficient problems have also been selected from various University Examination paper. At the end of each chapter an exercise containing objective questions only has been given. The answer to almost all unsolved problems have been checked and every care has been taken to avoid Printing and other mistakes. It is sincerely hoped that this book will satisfy the needs of the students and if it gives them even part of pleasure that the author had in its preparation he will consider his Labour amply rewarded.
