Brand New Book ***** Print on Demand *****. 5 Easy Steps to Speak English with Confidence is a remarkable work written by David E Stevens III, who has been learning and teaching new languages since 2001. Since then he has helped thousands of people learn how to speak languages, especially English and Spanish, and has done a lot of spectacular work in Colorado to bridge the gap between these two communities by breaking down the cultural and language barriers that exist. As director of The Language School, Denver's top rated school to learn how to speak both Spanish and English, he has developed a fun, practical, and powerful way to learn how to speak a new language through his Let's Start Talking approach to learning, which focuses first and foremost on conversation and getting people to talk. His series of textbooks, including Let's Start Talking, Ingles Facil Y Divertido, and English Easy and Fun are being used all across the country and have been well received. This new work, 5 Easy Steps to Speak English with Confidence, aims to teach people how to study English in an easy, practical, and powerful way that guarantees people the capability to become conversational in 3 months or less. By following the steps included in this book, you will learn the 5 principle techniques that fluent English students have used to become conversational and ultimately fluent.
