Owls: A Guide to Every Species in the World (Hardback)

By Marianne Taylor

Harper Design, 2016. Hardback. Condition: New. Language: English . Brand New Book. Discover the fascinating and mysterious world of owls with this stunning full-color, encyclopedic visual guide that explores all 225 known species, packed with maps, photographs, illustrations, informative scientific details, and a bonus 351/2 x 12 accordion poster illustrated with the true-to-size wing length of the largest owl, overlayed with the wing length of the smallest owl and several owls in-between. Humans have long been fascinated by owls. From prehistoric cave paintings to popular modern children s stories, these magnificent predators have been seen as harbingers of good fortune and impending disaster, as icons of fear and wisdom, and as the powerful sidekicks of magic-makers, including the beloved Harry Potter. Scientists have faced tremendous challenges trying to document the lives of these solitary, nocturnal, and highly elusive creatures. New species are still being discovered, as are new insights into the habits of even the most familiar varieties. Visually spectacular and authoritative, Owls includes full descriptions and maps of key viewing locations for all 225 owl species in the world, and is illustrated with drawings and stunning full-color images from some of the leading wildlife photographers from around the world...
