Reviews

It is great and fantastic. I actually have read and so i am certain that i am going to going to go through once again yet again in the future. I realized this ebook from my dad and i encouraged this book to find out.
(Dr. Kayden Gerlach)

JPOD (PAPERBACK)

Bloomsbury Publishing PLC, United Kingdom, 2007. Paperback. Condition: New. New edition. Language: English . Brand New Book. Ethan and his five co-workers are marooned in JPod, a no-escape architectural limbo on the fringes of a massive game-design company. There they wage battle against the demands of boneheaded marketing staff who torture them with idiotic changes to already idiotic games. Meanwhile, Ethan s personal life is being invaded by marijuana grow-ops, people-smuggling, ballroom dancing, global piracy and the rise of China. Everybody in both worlds seems to inhabit a moral grey zone, and nobody is exempt, not even his seemingly strait-laced parents or Coupland himself.
