The field is large, sufficiently large, they think, to move efficiently in the cause, and that with great effect, without striking at the root of our well established institutions, endangering the Constitution, and through it, the welfare and happiness of twelve millions of People. The Citizens of this place have held several Public Meetings, at the Town Hall, at which the above subject has been fully discussed by gentlemen well qualified for the task. - At one of which, the following gentlemen were appointed a Committee to embody the views, of the meeting, and to report the form of a Constitution.
