Brand New Book ***** Print on Demand *****.This historic book may have numerous typos and missing text. Purchasers can download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated. 1865 Excerpt: .bodies have been extracted. Extraneous matters extracted from gunshot wounds have been of great variety, and comprise bits of clothing and accoutrements, fragments of watches, coins, shoe-nails, teeth, etc. A collection of over 400 such bodies is preserved at the Army Medical Museum. The register of operations for surgical diseases contains the histories of 443 cases, many of which are of great interest. For example, 15 cases of tracheotomy or laryngotomy are recorded, with six recoveries. The operation was done once, with success, in a case of croupal diphtheritis. Finally, in the register of operations not included in other categories, 23 cases are recorded of the treatment of wounds of the larger joints by free incisions, or of operations for ununited gunshot fractures. Acupressure, a New Method of Arresting Surgical Htemorrhage and of Accelerating the Healing of Wounds. By James Y. Simpson, M.D., F.R.S.E. Edinburgh, 1864....

Reviews

A whole new e book with a brand new standpoint. I have read through and i also am certain that i am going to planning to read again yet again later on. I found out this book from my i and dad advised this pdf to learn.

-- Audrey Lowe I

It is fantastic and great. It is really simplified but unexpected situations from the 50 % in the ebook. I discovered this ebook from my dad and i suggested this book to learn.

-- Dr. Luna Skiles
