Reviews

This is the finest book i have got go through right up until now. I have got read and i also am confident that i am going to planning to read once again yet again in the future. You will not truly feel monotony at at any time of the time (that's what catalogs are for about if you check with me).

HEAVEN S THIEVES (PAPERBACK)

[DOWNLOAD](#)

BRICK BOOKS, 2016. Paperback. Condition: New. Language: English . Brand New Book. Lyric poems built with consummate skill by a poet at the peak of her powers. Heaven s Thieves is a collection engaged with the big questions--What are bodies for? What does it mean to be alive? What is beauty and why does it have such power over us? What is the point of art?--and the urgent ones--how to live in a shattered ecology, what to do about grief, illness, betrayal. Sinclair turns her attention to these questions with fearless curiosity, economy, and an originality born of her willingness to pursue her own line of inquiry to its limit. These poems get close and cut deep, mixing subject and object, surface and soul: Red mud glistens / like cut fruit--or like the knife / that did the cutting, laid down. In this, her fifth collection, Sinclair knows that nature is both done to death and inexhaustible ; that art is an elegy for experience, but even so, .to die is not to wash through the body of a deer like a ghost; it isn t to skulk under a living skin. It s a change in the value of things. (from The Dead) Experience and its value are changed in these poems. They are as wise as they are disruptive, and they change us as surely as they remake the world. Praise for Sue Sinclair: . .a poet who looks long and hard at the world to draw existential meaning. Her studious gaze is insightful, even - dare I say it in this secular age - soulful. --Barbara Carey, The Toronto Star . .vivid, lively, crisp, and packed with delicious surprise metaphors. --Anita Lahey, Arc Poetry Magazine.
