Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Top 10 Playful Breeds: A Dog Care Professionals Textbook Guide To The World s Most Playful, Enthusiastic and Friendly Dog Breeds, by Dog Care Professionals, Is an essential purchase for anyone with an interest in the most popular playful breeds of dog. Dog playfulness, much like human playfulness, comes in multiple different forms. While any breed can learn a number of games, tricks, skills and commands - some breeds take dramatically more patience and time that other breeds. A dog s breed plays a big role in the type of playfulness that the dog will display. For example a dog developed for the purpose of hunting, retrieving or herding will be athletic, eager to work and learn, eager to please its owner and will therefore be relatively easy to train for specific games such as fetch, Frisbee catching and any other form of athletic game. Playing with your dog is a perfect way to form a strong and loving connection with it! Playful breeds are also great for families with children as they provide perfect playmates. When playing with your dog it is important to focus on what aspects of play that your dog enjoys the most and to always remain patient, playful, positive and relaxed during any play session to make the session as enjoyable for both yourself and your dog. This Top 10 Guide was created for the purpose of aiding potential new owners in choosing a playful, enthusiastic and friendly dog breed that suits their family, finances and personal situation. This textbook therefore includes a description, history overview and breed characteristics of each of the 10 breeds. It is important to remember that the highrarcy of dog breeds...
