CHINA: COMPETING IN THE GLOBAL ECONOMY (PAPERBACK)

International Monetary Fund (IMF), United States, 2003. Paperback. Condition: New. illustrated Edition. Language: English . Brand New Book. China s economic performance over recent years has been impressive, managing to weather the Asian crisis of the late 1990s largely unscathed, as well as sustaining growth in the face of the recent global downturn. However, there are structural weaknesses in its economy which, if unmet, could undermine its economic stability and growth. This book examines these challenges and China s efforts...
