Egmont UK Ltd. Paperback. Book Condition: new. BRAND NEW, Twin Tales: "Twin Trouble", "Connie and the Water Babies", Jacqueline Wilson, Two delightful children's stories from one of Britain's most popular authors, Jacqueline Wilson. Twin Trouble: Connie's not happy. Her parents are having a baby. Well, not one, but two babies! Why do they need more children? They've got her! Soon the house is filled with dirty nappies and screaming babies and Connie's expected to help. And no one pays any attention to her. It's not fair. So when Nurse Meade puts some blue beads in her hair, Connie's delighted. And when she clacks them together, things start to happen .Soon, everyone can see things from Connie's point of view. Connie and the Water Babies: Connie is scared of water. She can't swim and she hates going to the pool. Everyone says she should go because she'll love it, and even Charles and Claire, the twins, like the water. Typical. Then Nurse Meade gives Connie some more blue beads. And when they clack together, suddenly Connie can swim like a mermaid .Jacqueline Wilson proves once again why she is considered by many to be the most popular children's author writing today in the UK. These stories are a great introduction to her writing for kids not quite ready for Tracy Beaker or Double Act.
